

# Redken Principles of Foil Placement

Modern highlighting is an intricate art and this class takes you light years ahead. You'll explore the 3 lines of color placement – horizontal, vertical and diagonal – and see how each creates movement in hair. Bring your highlighting skills to new heights!

## What will the program teach you:

- ✦ Laws and Principles of Highlighting
- ✦ Horizontal, vertical, and diagonal placement and how it creates movement in the hair
- ✦ The “stitch guide”, our language which describes the various types of contrast
- ✦ Best product choice, placements and patterns to meet any need for perfect highlights
- ✦ See-do practical techniques on mannequin heads

## Tools:

- ✦ 2 color bowls, 2 color brushes,
- ✦ applicator bottle, measuring cup,
- ✦ water bottle, foil comb (metal tail)
- ✦ wide tooth comb
- ✦ foil board (optional)
- ✦ 8 sectioning clips, long foils
- ✦ paddle brush, round brush
- ✦ Denman brush
- ✦ blow-dryer (with nozzle)
- ✦ color apron, gloves, towels
