FALL/WINTER 2011

EDUCATION CATALOGUE

Get Inspired!

In this exciting and ever-changing industry, you need to be in touch with all of the new trends and technology. Maritime Beauty is committed to providing you with the education that will teach you the techniques and skills required to be at the top. We can help you progress your career and increase your income! Whether you are looking for advanced training or planning to return to the industry and need to update your skills, we will help you reach your goals!

At Maritime Beauty, we believe education is the key to ensuring your success. That's why we have 9 education centres located throughout the Maritimes, and why we offer hands-on educational classes, in-store demos, and customized in-salon training with top national and local educators. To find out what Maritime Beauty Education can do for you or to enroll in a class, please contact your DSC, your local Maritime Beauty store, or Customer Service (1-800-565-7721).

To avoid cancellation, seats must be reserved and paid in full a minimum of 2 weeks prior to a class. Classes are non-refundable; in the event of a client's cancellation, an educational voucher will be issued and redeemable towards MBS education only.

Principles of Foil Placement

Overview

This class is perfect for all colorists competent in the basic application of color, and for those who wish to perfect their core highlighting techniques and understanding of the principles of placing highlights in the haircut. In this program you will learn the laws and principles of highlighting. In this hands-on approach we will use our "stitch guide", and horizontal, vertical and diagonal placements and show you how it creates movement in the hair.

Learn

- To create/recreate any look that has highlighting
- The different results that can be achieved with different types of weaving techniques
- How to understand section patterns and the various results they give
- No more disappointing results as you learn the "Laws of Highlighting"
- To increase your revenue with simple techniques
- To create patterns to achieve the looks you want

PRIVATE CLASSES

Tabatha Coffey on Main Stage!

The ABA is featuring Tabatha Coffey, the star of TABATHA'S SALON TAKEOVER. Coffey used her years of hands-on experience and love of her craft to help struggling salon owners turn around their businesses in the hit series, Tabatha's Salon Takeover. Tabatha has a new memoir coming out from Harper Collins titled It's Not Really About the Hair: The Honest Truth About Life, Love, and the Business of Beauty.

Catch Tabatha at this year's ABA, an opportunity to see her up close and personal...Tabatha will be on the main stage on Sunday and facilitating a private class for Owners and Managers on Monday.

Singled Out

Overview

A personalized haircut is like a custom-made suit – while created in a standard basic shape, it has been perfectly tailored for your client. Singled Out is a full day hands on workshop that will teach you the best tips for texturizing to add that personal touch to any haircut and give your client a unique look. With these personalizing techniques in your pocket, you'll be able to create a signature style that will have your clients Singled Out.

Learn

- How to design a custom cut to accent and highlight your client's features
- How to create a superior cutting consultation to set yourself apart from the competition
- Proper posture and body positioning to execute top-tier techniques and extend the health of your career
- TIGI cutting terminology and breakdowns that take you to the next level of your profession
- Ways to incorporate some of the latest cutting trends to fit your salon marketplace clientele
- Inspiration that will keep your career exciting throughout the year!

Dual Voltage

Overview

Turn it Up. Turn it Down
Versatile designs let you switch the voltage from high to low by moving the hair around. Fiery fusions of copper and red flicker and flash. Colors contrast, opposites attract. Strong laser-cut lines are set off with soft asymmetry. Styles can be powered up or down. Sparks fly, emotions ignite. The effect is electrifying. Caution: Dual Voltage will leave you breathless. Introducing Fall-Winter 2011-12 MATRIX Individuality Collection.
