

Overview

Babe Lash Extensions offers a quality product at an affordable price and includes professional training. In this introduction to Babe Lash Extensions you will learn how to add extensions to natural lashes to achieve various looks, quick application techniques and proper placement, sizing & blending.

Tools Needed

1 bed sheet, 2 white hand towels, a few Gibsons and a bottle of pure acetone. Those sharing a kit will also need the following Babe tools: 1 jade stone, 1 hook tweezers, 1 straight tweezers, 1 pinch pad and 1 set of training strips.
